

YEAR: 8-10 Art - Creating Images unit

SEMESTER 1 ASSESSMENT GUIDE

For Student Progress Report teachers will make an ‘on-balance’ judgement about each student’s achievement in this subject. They will draw on Victorian Curriculum assessment standards, classroom observation, student’s contribution to work in class, as well as from a range of assessment tasks outlined in this assessment guide

Possible assessment tasks	Assessment period	Topics and/or Concepts	The achievement grade includes assessment from the following tasks:
1. Practical: Designated tasks and personally initiated artworks 2. Completed written responses 3. Research task	Weeks 1-6	Practical work (designated tasks) Contemporary art ideas	1. Classroom participation: demonstrate improved skills and knowledge in both written and practical work, and level of personal investment. 2. Homework/assignments: Short answer; extended answer. 3. Completed practical tasks, both designated and personally motivated
	Weeks 7 – 12	Practical work Contemporary artists and artworks	1. Classroom participation: demonstrate improved skills and knowledge in written and practical work, and level of personal investment. <ul style="list-style-type: none"> • Homework/assignments • One major, finished artwork on a contemporary theme* 3. Completed prac tasks– designated and personal
	Weeks 13 – 18	One major finished artwork Research assignment	1. Classroom participation; demonstrate consolidation of skills and knowledge in written and practical work, and level of personal investment. 2. Assignments, research project submission* 3.
