

For Student Progress Report teachers will make an ‘on-balance’ judgement about each student’s achievement in this subject. They will draw on VCE assessment standards, classroom observation, and student’s contribution to work in class, as well as from a range of assessment tasks outlined in this assessment guide.

Possible assessment tasks	Assessment period	Topics and/or Concepts	The achievement grade includes assessment from the following tasks:
Work set in class Tests SACs	Headstart Cycle 1	Functions & Relations Coordinate Geometry Transformations Polynomial Functions	Worksheets Class work Homework
	Cycle 2	Exponential & Logarithmic Functions Circular Functions Further Functions	Worksheets Class work Homework
	Cycle 3	Differentiation Applications of Differentiation Integration	SAC: Calculus based investigation. 4-6hours duration over 1-2 weeks (17%)
