

For Student Progress Report teachers will make an “on-balance’ judgement about each student’s achievement in this subject. They will draw on VCE assessment standards, classroom observation, student’s contribution to work in class, as well as from a range of assessment tasks outlined in this assessment guide.

Possible assessment tasks	Assessment period	Topics and/or Concepts	The achievement grade includes assessment from the following tasks:
As part of the assessment of student achievement, the following assessment tasks will be used:	Ending Term 3 Week 7	Unit 1 Fundamentals of Mechanics	1. Unit 1 Theory Task Folder 2. Satisfactorily complete set practical work and other class work and homework
	Ending Term 4 Week 3	Fundamentals of Mechanics	1. Unit 1 Theory Task Folder 2. Major project construction interim assessment 3. Satisfactorily complete set practical work and other class work and homework
	Ending Term 4 Week 10	Fundamentals of Mechanics Construction of Mechanical Project Unit 3 Head Start 2019	1. Major project construction final assessment 2. Exam on the principles of Mechanics 1. Satisfactorily complete set practical work and other class work and homework
1. Theory Task Folder 2. Construction of Projects 3. Satisfactorily complete set practical work and other class work and homework 4. Exams
