Principal’s Report:

The end of a term always provides an opportunity to look back and reflect upon what has been achieved. A highlight was, of course, the Years 5-12 production of “Oliver” and the P-4 production, of “Rapunzel—the Untold Story.” A great deal of work goes into these productions but the feedback always reaffirms just how valuable the experience is for all those involved. Students have also enjoyed a number of visiting shows, a range of sporting activities, debating and excursions. Most importantly, a lot of great learning has occurred within the classrooms across the school but, of course, learning isn’t confined to students as our staff all commit to ongoing professional learning. The focus of staff learning this term has been on building capacity in all forms of ‘digital literacy’ and much of this has been led by our Assistant Principal, Anne DeManser.

Aussie of the Month
At Monday’s assembly our “Aussie of the Month” was announced. Congratulations to Gemma Brown who is the recipient of the award for August. Gemma received the award for always demonstrating concern for others and, in particular, for supporting a fellow student during the recent vaccinations. Well done Gemma!

Sun Smart policy
We are a Sun Smart school and, as such, expect all students from Prep through to Year 12 to wear a hat whilst outside next term. The policy comes into effect from the first day of term and must be complied with regardless of what the weather is like on any particular day. Given the high rate of skin cancer in Australia we do want to ensure that our students get into the habit of always wearing a hat when they are outside during the warmer months.

Year 12 Students
As I have mentioned a number of times, the next six to eight weeks are critical for our Year 12 students and for those Year 11 students studying a Unit 4 subject. Whilst it is important that the students enjoy the holiday break and have some time to ‘recharge the batteries’ it is also a very critical time for revision and consolidation of learning. I would encourage all students to work hard in order to maximise their chances of success and to take the opportunity to attend practice exams and revision classes being offered during the holidays.

School Fete - Saturday 19 October
Members of the Parents’ Association have been doing a fantastic job preparing for the school fete which will be held at the end of the second week of next term, on Saturday 19 October. This is the major fundraiser for the PA and only runs every second year so it’s very important that the whole community supports the event. All monies raised on the day are used to improve facilities for our students. The PA are looking for support from families to provide items for the class/house raffle baskets and items such as cakes/slices, preserves and jams. Also, of course, we need our families, friends and community members to attend the fete on the 19th October so, if you haven’t already done so, make sure you put the date in your diary.

Grand Final Breakfast on Friday
It would be great to see lots of families at the ‘traditional’ ‘Early Years’ Grand Final breakfast in the undercover area on Friday. Please see the ‘advertisement’ elsewhere in the newsletter which outlines all the details. Thanks in advance to all the Early Years staff for their work in organising the breakfast.

Finally, I hope you all have a safe and relaxing holiday break and that when students return to school on October 7 they will be refreshed and ready for the new term.

Graeme Good
COWS CREATE CAREERS PRESENTATION DAY

Last Thursday the Year 8-10 Entertainment Cookery class travelled to Warrnambool to participate in the Presentation Day for the Cows Create Careers Project. The project has run during Term 3 and involved students visiting the Murray Goulburn factory in Koroit, cooking with a whole range of dairy products to create new recipes, and learning about careers in the dairy industry during a visit from Murray Goulburn advocates. The program has been sponsored by Dairy Australia and involved five local schools supported by many from the local dairy industry.

During the Presentation Day there were many activities and competitions were students and teachers from each school were pitted against each other to win some great prizes such as I-tunes vouchers and miniature cows! One involved a game of ‘cooking Chinese whispers’ where only one student in the group had a look at the recipe, and then they had to pass messages onto the rest of the group about how to create the product. The end products were very varied between different groups, and few looked like the original design!

We had a great day and I have been very proud of our students both in the classroom and taking them on excursions. I look forward to working with you again next term. Parents should be looking forward to our next activity which will involve students preparing a meal for a parent/grandparent or staff member to enjoy!

Anthea Good
Food Technology Co-ordinator

Active After School Program
Term 4

The active After school program for Term 4 will be -

Cricket - Mondays
3:30 - 4:30pm
(starting week 2 - 14th October)

Netball - Thursdays
3:30 - 4:30pm
(starting week 1 - 10th October)

Please get an enrolment form from the office if you wish your child to participate.
If your child normally travels on a bus on these days, a bus note will also need to be completed.

Equestrian News
UPCOMING EVENTS:

(2) Warrnambool Ag Society Interschool Dressage Day Thursday Oct 24th at Warrnambool Showgrounds. Entries close Monday 14th October

(3) Warrnambool Ag Society Interschool Showjumping Competition Friday 25th Oct at Warrnambool Showgrounds. Entries close Monday 14th October

Schedules and Entry Forms on the Equestrian Noticeboard. Please read all entry form details carefully and fill in correctly. Cheques for all events should be made payable to the institutions as indicated, and sent off by competitors themselves. As Equestrian Co-ordinator I am required to sign some entry forms, so please bring those to me to be signed be as needed prior to mailing entries off.

Thanks, Annette Janes
Stephanie Alexander Kitchen Garden Update

- We have been very fortunate to have received a donation from the Mortlake Lions Club to build a hot house for our garden. This will be a very useful resource for our classes as they begin to nurture our seeds and plants for our garden. We appreciate the support of the Lions Club and we look forward to the members of the club visiting for a grand opening of the hot house when it is built.

- Bunnings have also provided us with two modular garden beds and seedlings which we are most appreciative of.

- With our initial building and garden development we have been supported by many local businesses that have very willingly provided advice and assistance. We have appreciated onsite advice from local business people at the beginning of our program and many Mortlake College family members. Your support has been very encouraging and accepted gratefully by staff and students.

- We are currently making some changes to cater for the number of students using the school Dining Room for our meals next term and would like to say a big ‘thank you’ to Brad Tanner for his help with this organisation.

- At present we are working towards completing our garden near the P-4 area and would appreciate if anyone has an hour or so to spare to let us know and we may be able to allocate you with a task that you could work on in your own time.

- For Term Four we will be implementing the first stage of our Kitchen and Garden classes and we would be very grateful if anyone is available to assist on a Thursday.

- Thank you to everyone who has supplied old gardening tools for our art work, it will look fantastic. Next term each class will be working on a Scarecrow project. These will be displayed in our garden.

- If you have any cuttings of herbs that you are willing to share we have some pots that need to be filled.

Thanks, Jane Povey and Kath Tanner

Theatre Studies Monologue Showcase

Our Theatre Studies students for 2013 will be showing their monologues in a public performance.

Come along and see some of our most talented performers show their skills as they perform their monologues.

The students have been individually preparing these characters through extensive research over the third term and will be presenting a range of brilliant characters.

There will be five year 12 students and four year 11 students.

When: Tuesday 8th October 2013 at 5 pm
Where: The school BER

Everyone is welcome!

Please come and enjoy an amazing evening showcasing some of Mortlake College’s performing arts talent.
Saturday 19th October

10.30am until 2.30pm

Held at the senior end of the school

If anyone is interested in sponsoring a stall or rides please contact Natasha Gibson on Ph: 0418 129 371 - recognition will be given.

Keep selling those raffle tickets—there is extra books available at the office if needed.

Please help us where you can......Thanks from the Parents Association!

Uniform Shop

Just a reminder as we head into Term 4 and the warmer weather—if you are in need of summer uniform - the Uniform Shop hours are -

Tuesdays - 1pm - 4pm

&

Thursdays - 8:30 - 12 noon

If these times do not suit - a uniform order form, with payment, can be left at the General Office.

(Forms can be obtained from the office)

Filled orders can be sent home with your child.

Lost Property – Last Chance!

Lost property has been placed in the p-4 corridor. Please take the time to check if you have inadvertently misplaced any items.

There are many lunch boxes, drink bottles and clothing items.

These items will be disposed of or sent to the Op Shop at the end of the term.

PLEASE ENSURE THAT ALL ITEMS ARE NAMED FOR THE START OF TERM 4.

IT MAKES IT SO MUCH EASIER TO FIND
1/2M Fairy Tales

All this term the students in 1/2M have been exploring traditional Fairy Tales. The students have also planned and wrote their own Fairy Tale stories in this time.

There once was a castle and near the castle there was a chocolate lake. In the castle there lived a King, Queen and Princess. One day the Princess went for a swim in the chocolate lake. She started to drown and sink to the bottom. Luckily the King and Queen where watching her and threw her a big biscuit. The princess swam to safety and lived happily ever after.

Ashton Maher

Once upon a time there was a fire breathing dragon who lived in a cave. The dragon made some traps so the Indians couldn’t get in. The dragon had a treasure in his cave that he guarded with his fire breath. People always tried to take the treasure from the dragon but they could not make it through the hot fire pit. The dragon was always safe. THE END.

Will Anders

Once upon a time in a far, far, castle lived a king and queen. The queen had a pet dragon and it was growing fast. One day the dragon escaped from the castle. Then the king asked his 4 knights to track down the dragon and bring him back. One knight got knocked down, one ate too many chips and one got lost. Only the strong knight was left to bring back the dragon. He found the dragon in a cave. When he got him he put a big chain around his neck and pulled back the dragon to the castle. The king and queen where so happy to have their pet dragon back they fed him some chips. THE END

Adam White

Once upon a time there was a princess called Scarlett. She lived in a pink and gold castle. One day she had to go to Ice Cream Hill for some ice cream. She walked there in her strong boots but when she got there she saw a dragon protecting the ice cream. She quickly ran back to the castle and hid under her bed. THE END

Ella Ridges

NAPLAN 2013

ACARA has asked that the following information regarding NAPLAN results be passed on to parents.

Dear Parent/Carer

I write to you regarding the distribution of printed individual student results for the NAPLAN 2013 tests. These were scheduled to be delivered to schools for distribution to parents from the week commencing 16 September.

As you may have seen reported in the media, the Australian Curriculum, Assessment and Reporting Authority (ACARA) recently identified an error in the placement of national average indicators in Year 5 and 7 student reports.

Please be assured that there are no errors related to the NAPLAN tests or scoring of student results. While this delay is unfortunate, it is of paramount importance that results distributed to parents are accurate.

Delivery of Victorian student reports to schools will now commence Monday 7 October.

ACARA has apologised for the inconvenience caused by this delay and its impact on students and school communities.

Q&A Discussion Event

Talking About Childhood Asthma
Live From The Airways

If you have questions about your child’s asthma, you are not alone.

Sunday 27th October 2013
4pm - 6pm

Light refreshments will be served

Volunteers Wanted for Kitchen Garden Program

The success of this unique and exciting Program relies on the support of volunteers.

There is nothing more satisfying than sharing a delicious meal created with fresh produce that you have grown from seed to harvest. Every week our school children share in this experience as part of the Kitchen Garden Program at Mortlake College.

If you would like to volunteer in the kitchen or garden, whether you have one hour to spare or a whole afternoon, we would love to hear from you.

The Program runs on Thursdays.
