Term 3 - Week 8 - 4th September 2013

Principal's Report:

Uniform

At last week’s school council meeting two members of the student leadership team, Charmarelle McCarroll and Stacey Shalders, addressed council on some issues concerning school uniform and asked that council approve a number of changes. Council were very supportive of the proposed changes and they are to come into effect immediately. As I mentioned at Monday’s assembly, it was great that members of the student leadership group were prepared to act upon concerns of students and follow the correct procedure to have a change in uniform approved. I have been pleased to see an improvement in uniform generally over the past two weeks but there are still some students who need to ensure they are in the correct uniform each day.

The approved changes to uniform are as follows;

Girls’ tights/leggings - black or navy blue only. Leggings must be full length.
Girls’ socks - white or black acceptable for both winter & summer uniform
Boys’ socks - black, white & grey all acceptable
Scarves - black, white, navy blue all acceptable (no combination of colours)

School for Student Leadership

We were pleased to receive the news last week that we have been successful in having four students accepted into the Dinner Plain campus of the Alpine School for Term 3 next year. This is a really exciting opportunity and will be quite unique in the sense that the students selected will be in the Victorian Alps during the heart of winter. The Dinner Plain campus is only a short distance from Mt Hotham. In the coming weeks a selection process will be conducted for the students who have previously indicated their interest.

Sara Bolch: “Songs for a New World”

I would like to wish Sara Bolch all the best as she performs in the Holiday Actors’ production of “Songs for a New World” at the Warrnambool Entertainment Centre later this week. Sara has had leading roles in a number of Holiday Actors’ shows and, of course, she has been outstanding in her many roles in school productions. Good luck Sara!

Sister-school link-up

On Friday all classes from Prep to Year 7 will participate in a web-conference with our Japanese sister school, Tateno PS. The planned format is for a couple of Year 6 students from each school to provide an introduction, then the choirs will sing and there will be a question and answer session so that students from both schools get to know a little more about each other.

‘Succeed’ House Fundraising Day

Next Tuesday, September 10, ‘Succeed’ House will be conducting their fundraising day for the year. Their chosen charity is the RSPCA so the day has an animal theme with a range of activities planned for both primary and secondary students. Students are encouraged to come dressed up as an animal and there will be a parade held at lunchtime with prizes for those ‘best-dressed’! More details can be found elsewhere in this newsletter
Beacon Foundation’s ‘Polish’ program

On Wednesday, the Year 10 students participated in the Beacon Foundation’s ‘Polish’ program. It is a whole day program designed to improve students’ ability to make a successful transition into the workforce and focused on practical skills and knowledge that young people will require including:

- Communication
- Networking
- Personal Presentation
- Interview skills
- General etiquette
- Teamwork
- Meaningful goal setting

Part of the day also involved a networking lunch designed to provide students with an opportunity to draw on the skills they have learnt throughout the day and actually put them into practice. Among those attending the lunch were Amy Armstrong and Geraldine Moloney from Deakin University and Shane McKew from SWTAFE in Warrnambool. The students thoroughly enjoyed the day and felt that they had benefited from the various activities and presentations. Thanks to Mr Croucher and the Beacon Ambassadors for their organisation of the day.

3/4S Class Captain Report

Hi my name is Ruby and this is Lachie. This term in literacy we have been learning about Myths and legends and gods and goddesses. We have all made up our own god or goddess and using iMovie on the ipads, we are making a movie about gods and goddesses. The boys are gods and the girls are goddesses.

Every Thursday afternoon the 3/4’s have election campaigns. We have all put a lot of work into it. In each group there are 9 leaders and 9 deputies. The leader has a lot of responsibility and the deputy is their back up. We will be coming around to your classes soon to inform you of how it works.

Last Thursday Taylia Trigg from SWTAFE came to speak to Year 12 students who were interested in finding out more about possibilities for further study through TAFE. Below is a copy of the information that she forwarded to me following the session. It is important to note that TAFE offers opportunities not only for students not intending to go to university, but also for students looking for an alternative pathway into university.

OPPORTUNITIES AT TAFE:

Our 2014 course information sessions has now been set and it's the perfect chance for your students to find out about the courses we have on offer and the opportunity to make choices about their future – the possibilities are limitless.

With loads of great courses on offer in 2014, our information sessions are a great way to find out about:

- Course and career opportunities
- University and employment pathways
- How to apply and course costs
- Student support services

Please see attached a document containing our 2014 course information session dates.

Please also see a link below to our ‘School Leaver Enquiry Form’ for students who are interested in studying at SWTAFE in 2014.

We will then keep these students informed of upcoming information sessions/enrolments dates and any other information relating to course selection processes for 2014 programs.

If you have any questions or would like further information please don’t hesitate in giving me a call.

Thanks
