Term 1 - Week 7– 9th March 2016

Principal’s Report -

Student Reports and Parent/Teacher/Student interviews

Reports for the first reporting period are now completed and will be posted to all families on Friday of this week. With the Labour Day holiday on Monday the mail will take a little longer to reach you but hopefully delivery will be not later than Wednesday. If you have not received your report in the mail by Thursday you are welcome to contact the school for the report to ensure you have the opportunity to discuss it with your child prior to the interviews.

The response of families to the online booking system for the March 21 interviews has been great. If you haven’t already done so please book times with your children’s teachers. Times need to be booked for P-4 interviews as well as for Years 5-12. If you need any help with your bookings please don’t hesitate to contact Carmel in the school office. We ask that all students attend the interviews along with parents/guardians as we believe it is very important that they give and receive feedback too.

On the day of the interviews it is essential that everyone sticks to the allotted time because there will be a ‘flow-on’ effect to other parents & teachers if some interviews go over time. As this is the first time for reports and interviews in this format we expect that there will be some ‘teething’ problems but we are hopeful that they will be minimal. If you have any feedback on any aspect of the new system we would really appreciate hearing from you.

School Council

Congratulations to Kath Tanner, Anne DeManser and David Kelly who have been returned to school council for another term. Next Tuesday the AGM will be held prior to the normal March meeting.

Dress-up day

The student Leadership team are holding a special dress-up day on the final day of term, Thursday 24 March and would love all students (and staff) to participate in the event. The idea is that you dress in an outfit that matches the first letter of your name (Christian name or surname). A gold coin donation is required with all proceeds going to the Good Friday RCH appeal. Easter prizes will be awarded to the most creative/interesting outfits. Hot cross buns will be on sale from the canteen at recess for fifty cents.

Report from the Leadership School at Snowy River

The six students who have been attending the School for Student Leadership at Snowy River are coming towards the end of their time there. A fortnight ago the students’ families visited and they reported just how much the students had enjoyed their time away and how valuable the experience has been for them. Below is a report from Snowy teacher, Gary Johnson on the second expedition the students have just returned from.
Hello from Snowy,

Just writing to update you on your wonderful kids. Everyone has been doing great and they seem to all be enjoying themselves. We have just come back from our second expedition. We had a great time and it was very exciting to see all of the students taking on roles and responsibilities and having fun. All of the students have canoed before but it didn’t stop them crashing into the reeds along the bank or making zigzag patterns along the water because they were having trouble going in a straight line! There was great improvement in paddling skills throughout the 3 days. We were very proud of them and hopefully that will come across in the feedback they receive from us. We started the trip at the Snowy campus and hiked to the top of Mt Raymond for a look out at the view and to see some of the route we took. For the journey we stayed at the Corringle Slips campground and for the second night out in a farmers’ paddock, nothing new for the Mortlake kids. For the Carrum Downs students, some commented they had never seen a cow so close before! They had a great time being outside and enjoying each other’s company. We had early nights as the days were long and hot. We were particularly impressed with how they managed themselves in the heat (sunscreen, hats and lots of water). They have all become great cooks, at least whilst camping but hopefully they will carry their skills over to the kitchens at home.

Each of them set goals to make the experience the best and carried out their roles to ensure the expedition was successful. I’m hoping that you all take the time to read through their blogs which we hope will show that their journey had personal challenges and successes. They all experienced so many positive experiences that we hope will stay with them for years to come. We have noticed lots of changes in personalities and the way they now support each other. They all worked very well together which was demonstrated by the positive end to the expedition as we reached the summit. They have done an outstanding job of working together and solving any issues themselves that have come up. We congratulate them on a wonderful 3 days!

We are all missing you heaps. Let us tell you about everything we have been doing in the past five weeks here at the School for Student Leadership- the Snowy River Campus. We have spent a lot of time outdoors and we are leaving on our second expo tomorrow in fact. Some of the favorite activity we have done have been Surfing, the first expo, caving, canoeing, the full day bike ride (30 kms) and Bridge Building. We have learnt about building social skills, presenting skills, teamwork skills, and effective leadership skills. We have had 5 Community Learning Project classes (CLP) and with the help from several staff at both Mortlake College and Snowy River Campus, we have chosen to fix up the back entrance to the school. Our plan is to redo the path that leads from the basketball court to the exit and make it wider. We also plan to plant some scrubs and trees on the side of the path to make it more pleasing to the eye and to liven up the yard. We are also hoping to do one fundraiser at the moment to help with the cost of everything. We are looking forward to getting back to Mortlake and starting our everything we are planning to do.

See you all in a few weeks.

Keely, Jackson, Jordan, Olivia, Isaac and Jack.
Last week we finished our first project, which was a potting table for the agriculture class. We learnt how to level timber and why it is important to make sure our measurements are square and precise before construction so that our finished project will be as we designed. We learnt how to put in posts that are straight and secure in the ground using cement and utilized basic mathematical calculations. We used cordless drills, hammers and nailing techniques as well as measuring and cutting to length timbers and practiced general building skills. We insured the table was built level and square for optimal practicality. We worked well as a team with one drilling, one nailing. This helped us develop stronger relationships between our group while working well with each other. We used common sense thinking and had a victorious moment with a sense of pride and accomplishment seeing the completion of our first major project for the year.

I'm Shona McGuigan, I am the senior Succeed house captain for 2016 alongside Isaac Wareham, Jaime Killen, Abbey Burford, Chelsea McCosh and Ashton Maher.

My goals for the year are to bring confidence into our house meetings so everyone is free to address their issues and also win the house athletics like we did the swimming.

My favourite things to do at school are: conduct house assembly, understand what I'm doing in class and of course relax with friends for my last year of school.

My favourite things to do out of school are: netball, play with my dogs and spend time with my family.

My name is Isaac Wareham and I'm in year 9.

I have had recent experience with leadership including being the house captain in year 7 and also going to the Student Leadership School.

Some of the hobbies I do outside of school would include Football, Cricket, Tennis, Camping and Socializing with friends or family.

I currently live in Mortlake so I can access the school quite easily if need for working bees etc.

I hope I can succeed at the goals I have set which were to have better presentation skills and use them to create a better atmosphere throughout the Succeed house.
I'm Bree, your senior house captain for Endeavour 2016!
I enjoy all things arts, love the smell of lemongrass, waking up early and couldn’t live without the goodness of organic foods!
My biggest goals in life are to pursue a fulfilling career - perhaps in the arts, and I want to visit as many countries ad continents as I can.
As well as this, I also strive to have a positive effect on all the people around me, which is something I look forward to bringing to my position as captain.

GO ENDEAVOUR

Hi I'm April Edwards, and I am one of the Endeavour house captains for 2016.

In my spare time I like to catch up with my family & friends. I enjoy playing netball and watching my family play cricket on a Saturday.

As house captain I help Mrs Russell every morning and I also have helped out with the swimming sports and athletic trials.

I am looking forward to a great year.
My name is Kira Firth, I am in year 11 and the senior house captain for Inspire along with Erin. Outside school I enjoy sports, such as cricket & netball. I ran for house captain as I found its such a great way to positively contribute to the school as well as improving my leadership and people skills.

My name is Erin McGuigan, I am senior house captain this year for Inspire. I ran for house captain as I have not ever been house captain before and felt I should be opening more opportunities for myself. It is such a great way to show leadership and initiative and I would really love to be able to do so.

Everyone in Inspire has such a great attitude towards everything such as sport days to fundraisers. I'm looking forward to the year with Kira as the other senior house captain, as well as working with the junior leaders, in leading the best house there is.

Geelong Cats

On the 18th of February two Geelong football players came to Mortlake College, their names were Sam and Jake. We got to ask them question and win pencil sharpeners. We did some ball skills and games. We really enjoyed them being here. We would like to thank My Boyden for organising the morning.

Body image – Leading the Way campaign

Last Friday Matilda Hetherington, Darcy Hobbs and I went to Emmanuel College to participate in the Body Image Leading the Way Campaign. We learnt about how people use photo shop to give the illusion of perfection, and how much people go through to be "beautiful", we also researched what networks people go to for help. The most popular network was the Internet which I personally would not go to. We also looked at different stereotypes and we looked at ways we can break through that barrier of stereotypes. The three of us students and Kerry also found out how big Emmanuel is compared to Mortlake College but managed to not get lost!!! At lunch Matilda and I went to watch the Germoin sisters which is a girl band, which were really good. Whilst we were doing that Darcy and Kerry successfully accomplished a puzzle game and then we went home. Overall we learnt a lot and we look forward to our next session in September. We plan to teach others what we learnt. I'd like to thank Kerry for taking us down.

Physical activity during childhood can help with:
• Developing a healthier heart and lungs
• Building stronger bones and muscles
• Improving motor skills
• Improving self-esteem
• Reducing stress and anxiety
• Improving school performance
• Improving concentration

The National Physical Activity and Sedentary Behaviour Guidelines give the following recommendations for children (5-12 years) and young people (13-17 years):

For health benefits:
• Accumulate at least 60 minutes (and up to several hours) of moderate to vigorous intensity physical activity every day.

To reduce health risks:
• Limit use of electronic media for entertainment (e.g. television, seated electronic games and computer use) to no more than two hours a day.
• Break up long periods of sitting as often as possible.

What can you do to help?
• Be active with your children
• Turn off the TV and computer or limit the time allowed and substitute with a fun activity
• Plan some activities with your children – let them choose
• Find out what the school is doing – ask if they are keeping track of the activity time

Things to consider when being active:
• Be sunsmart when outdoors
• Keep hydrated
• Wear comfortable shoes and clothing
• Know your child’s limits

Suggested activities you can do as a family:
• Walk to school
• Walk the dog
• Bike riding
• Explore where you live – walk a different route
• Do the family chores together – shopping, washing the car
• Set up a backyard obstacle course
• Get some chalk and make a downball or hopscotch court on your driveway
• Play a game of backyard cricket
• Backyard lawn bowls with the balls you have
• Kick-to-kick with the footy or soccer ball
• Wall tennis
• Backyard volleyball with a balloon or keep the balloon up
• Frisbee
• Rebound – throwing the ball against the wall
• Jump rope
• Hula hoop competition
• Hide and seek
• Throw and catch – and take step back when successful
• Head to the local playground
• Fly a kite
• Stand, stretch and walk around during every ad break on TV
• Three-legged races
• Sack races
• Roll a dice and the winning number selects the activity

NOTE: Premier’s Active April is a great way to contribute to the recommended daily total of activity.

School procedures for the bushfire season

Fire danger ratings and warnings are used in Victoria to provide clear direction on the safest options for preserving life.

Schools and children’s services listed on the DET Bushfire At-Risk Register (BARR) will be closed when a Code Red fire danger rating day is determined in their Bureau of Meteorology district. **Our school has been identified as being one of those at high bushfire risk and is listed on the BARR.**

Where possible, we will provide parents with up to four days notice of a potential Code Red day closure by letter [and SMS message/phone tree]. A Code Red day will be determined by the Emergency Management Commissioner no later than 1.00 pm the day before the potential closure. Once we are advised of the confirmation of the Code Red day we will provide you with advice before the end of the school day.

**Once confirmed, the decision to close will not change, regardless of improvements in the weather forecast.** This is to avoid confusion and help your family plan alternative care arrangements for your child. It is also important to note that:

- No staff will be on site on days where the school is closed due to a forecast Code Red day.
- Out-of-school-hours care will also be cancelled on these days.
- School camps will be cancelled if a Code Red fire danger rating day is determined for the Bureau of Meteorology district in which the camp is located.
- As a bus co-ordinating school all bus routes will be cancelled.

**Depending on which Bureau of Meteorology district is impacted bus route cancellations may affect our school.**

On these Code Red days families are encouraged to enact their Bushfire Survival Plan – **on such days children should never be left at home or in the care of older children.**

For those of us living in a bushfire prone area, the CFA advise that when Code Red days are forecast, the safest option is to leave the night before or early on the morning of the Code Red day.

As part of preparing our school for potential hazards such as fire, we have updated and completed our Emergency Management Plan, [re-prioritised any maintenance works that may assist in preparing for the threat of fire and cleared our facility’s grounds and gutters]

**What can parents do?**

- Make sure your family’s bushfire survival plan is up-to-date and includes alternative care arrangements in the event that our school is closed.
- Ensure we have your current contact details, including your mobile phone numbers. Keep in touch with us by reading our newsletters, [by checking our website [insert URL]] and by talking to your child’s teacher or any other member of the teaching staff about our emergency management plan.

Most importantly at this time of year, if you’re planning a holiday or short stay in the bush or in a coastal area, you should check warnings in advance of travel and remain vigilant during your stay.

If your child is old enough, talk to them about bushfires and your family’s bushfire survival plan.

For up-to-date information on this year’s fire season, visit the CFA website at [www.cfa.vic.gov.au](http://www.cfa.vic.gov.au) or call the 24-hour Victorian Bushfires Information Line on 1800 240 667.
