Principals Report

Education Week

Last week was a great celebration of education at Mortlake College and as I mentioned at our assembly on Monday morning I would like to thank all those staff, parents and students who contributed to the success of the week. It was a real team effort and showed again that we have so much to be proud of at Mortlake College.

I also mentioned at assembly that this week officially marks the second half of the term. The weeks are flying by and our report-writing day is scheduled for Friday of next week. This day is, of course, just part of the whole report-writing process. The staff will spend many days writing reports in the coming weeks. The reports will provide valuable information about how each student has performed during the semester and will be distributed on the final day of the term.

Years 3&4 Bike Education program

This week the Years 3&4 students are undertaking their Bike Ed program. The program is designed to educate the students about all aspects of bike safety including road rules and regulations. They also receive some valuable tips on bike maintenance. At the end of the week the Year 3 students will do a ‘shared pathway’ ride around Tea Tree Lake whilst the Year 4s will do a road ride. Thanks to Mrs Storr and Mr Vangeninden for facilitating this valuable program.

Years 3-6 District Cross Country

Congratulations to all our Years 3-6 students who competed in the district cross country run last Friday at Noorat. We had four competitors who finished in the top ten in their age groups so special congratulations to Simon Atkinson, Kaitlyn Fowler, Holly Fowler and Sarah Gubbins.

Pupil-free days

Please mark in your diaries the following pupil-free days.

- **Friday 6th June**- the designated report-writing day
- **Monday 4th August**- the third term curriculum planning day. It was felt that this was an appropriate day to set as it coincides with Hamilton Sheepvention and each year we have a number of students who attend that event despite it having been a scheduled school day. It is also a designated pupil-free day for St Colman’s school.
Peter’s Project
Next Thursday, June 5 the final fundraiser for Peter’s Project will be held. This will take the form of a ‘Walk around the lake to Geelong’ where students in each house will cumulatively walk the distance between Mortlake and Geelong in order to gain some understanding of how far cancer sufferers have to travel each time to receive treatment. Following the walk there will be a sausage sizzle in the undercover area to celebrate. Students are encouraged to wear comfortable walking clothes in house colours and make a gold coin donation to show their support for the cause and help raise funds. It would be terrific if parents and community members were able to come along on the day from about midday and show their support as students walk around the lake.

In the coming weeks the Year 7 Leadership team will put together a presentation showing aspects of their fundraising journey this term and it will be shown at the Lighthouse Theatre early in Term 3. Over the year these students have been developing skills in leadership following their attendance at the Regional Student Leadership Conference at Deakin University early in Term 1.

Although Peter’s Project has already reached the $5 million target, additional funds raised by regional schools as part of this project will go towards a fund to ensure the ongoing success of the treatment centre. For more information about the event, please see the advertisement in this newsletter.

Year 10 Work Experience
Next week our Year 10 students will be undertaking their first work experience placement. This is an important program that runs in Years 10 and 11 and provides students with an opportunity to have a taste of what life in the workforce is like. The students will learn that there are a range of important attributes essential for success in the workforce just as there are at school and at home. Things like punctuality, reliability, cooperation, initiative and teamwork are just some of the skills that employers and supervisors will be looking for in the students.

Good luck to all the Year 10s!

Asbestos audit
All government schools are undergoing an asbestos audit this year and our audit was conducted this week. As part of the audit it is government policy that signs be placed on all entry doors to the school notifying contractors that there is asbestos in the school. This is nothing to be alarmed about; it simply means, as it always has, that any contractor carrying out work in the school needs to consult the asbestos register before commencing work.

Graeme Good

Have you checked out the “Mortlake College P-12” Facebook Page ??

Don't forget to “Like” us on Facebook and keep up to date on all that is going on at Mortlake College.
The winner of MasterChef Mortlake College is....... BLACK TEAM!

Congratulations to Lisa Lehmann, Brooke Fidderman, Louise Atkinson, Lindsay Kain, Wendy McKenzie & Andrea Mahnke from the Black team!

Well done to all the teams that participated in the MasterChef challenge. It was a very successful and enjoyable day for both parents, staff and students!

Black team cooked and created a Beetroot Dip, Rice Salad and Apple pikelets. Now you too can cook and create these easy and delicious winning foods for lunch.

**Beetroot Dip**

- 225g tin beetroot, drained well
- 80g fat-free plain yoghurt
- ½ teaspoon ground coriander
- 1 teaspoon ground cumin

1. Blend all the ingredients in a blender until very smooth.

Serve this dip with Carrot, Celery and Cucumber Sticks.

**Rice Salad**

**Ingredients:**
- 1 cup cooked Brown rice or cup raw brown rice.
- 1/3 red capsicum, chopped finely
- 1/3 apple, chopped or grated
- ½ mushroom, washed and chopped finely
- ¼ cup of corn kernels

**Dressing:**
- 1tsp oil (rice bran oil or olive oil)
- 1 tsp curry powder
- 1 tsp soy sauce

1. If rice is not already cooked, cook as per instructions on packet
2. Combine salad ingredients with cooked rice.
3. Make up dressing and pour over ingredients (do prior to eating or just before going to school. You could send a little jar of dressing to school with your child to pour on themselves).

**Apple Pikelets**

- 1 ½ cups self raising flour, sifted
- 2 tablespoons castor sugar
- 1 egg, lightly beaten
- 300ml buttermilk
- ½ cup (140g) apple puree (or you can use grated apple)
- 20g butter, melted

2. Heat a large fry pan over a medium heat. Brush base with butter. Using tablespoons of batter at a time, cook in batches for 2-3 minutes or until small bubbles start to form on the surface of the pikelets. Carefully turn over. Cook for 1-2 minutes or until cooked through. Transfer to wire rack to cool.

Store in an air tight container.
“Have a Say Day” was held last Thursday, during Education Week.....We had some fantastic speeches on lots of different topics.

Congratulations to Jake Tanner, Sophie Goldsworthy, Scarlett Sagnol & Jordyn Rohan on winning their age groups.

The students & staff also enjoyed a free healthy lunch of beef & salad wraps, Banana berry and Banana pineapple Smoothies and fresh fruit. Thanks to the Yr 12’s, Carmel, Cherie & Kathryn for helping to serve.
Walk safely to School Day!
Wanted for Year 3/4 ART

The Years 3 and 4 students will be making mosaics to further brighten up the undercover area so we need wall tiles.

If you have any old wall tiles, any colour, any condition, including mirror tiles, that you no longer need, please donate them to us and we’ll put them to good use.

Tiles can be left, preferably in a box or bag, in Mrs Storr’s room 21.

With thanks.

The Warrnambool Eisteddfod is on
Wednesday 18th June.

Students in Yrs 1-6 will be attending the Choral Competition.
Notes will be sent home this week and need to be returned by Friday June 13th.

Kath Tanner

Important Information for Families travelling on Buses

We are always trying to improve our processes to ensure the safety of our students as well as running an efficient system for all users.

It is very important that parents notify us each time your child will not be on the bus. This includes weekly commitments such as football & netball training. This can be done by handing a note directly, or giving a verbal message in the morning to the bus driver. Alternatively, a bus note can be completed, in person, or via phone message BEFORE 2:30pm with the front office staff.

Our buses run on a tight schedule and need to depart at their scheduled time. It is very important that children are not late out to buses at the end of the day. Please discuss with your child the importance of being organised at the end of the day. We wish to avoid parents having to collect their child if they miss their bus.
On Wednesday 11th June all VCE students completing a Unit 3/4 subject in 2014 will be required to sit the GAT at Mortlake College.

Please read the accompanying brochure carefully if you are a GAT student or parent, and contact me if you have any queries/concerns.

If you have trouble reading the brochure in the newsletter you can also go to the website - www.vcaa.vic.edu.au/Documents/GAT/GATbrochure.pdf and download the brochure yourself.

Anthea Good
VCE Co-ordinator.

A huge thank you to all those involved in the activities during Education Week. There was an air of excitement all week with a variety of experiences for everyone. The assembly and kinder activities were lots of fun whilst kinder parents enjoyed a personalise school tour from our student leaders followed by a delicious morning tea and chats with some parents.

On Tuesday the showcase of the SAKG was well received. The food was fresh and delicious and it was amazing to see the pride the students had in their cooking and setting up. The Harvest table looked magnificent and produce from the garden and worms was on sale. Thanks to those who purchased things, the money raised will be put back into the program.

On Wednesday the school was on show for interested parents. The Yr 8-10 Food Tech students prepared a delicious array of morning tea for our visitors. The Master chef challenge was lots of fun. All the participants got white line fever and stopped at nothing to ensure their table won. Kerri and Emily wanted to especially commend the parents involved for filling out the surveys at the end. In the afternoon the P-2 fun run was a great way to end the day. After a bee hive caused a last minute switch to the oval, everything ran smoothly. Thanks again to those who came and supported this event.

On Thursday Glenice took charge of the kitchen and along with Cherie cooked up 15kgs of mince to provide a healthy lunch for all students. Smoothies were also on offer and thanks to Warrnambool Cheese and Butter for donating the milk and Materia bros for the fruit.

The Have a say competition was very entertaining and well done to all the talkers!

The finale event for Education Week was the walk to school event which was followed by a warm breakfast for students. Thanks to Jenny and her team of helpers for organising this event.

It was a great week and reminded me of why I love working at, and being a part of the Mortlake College community.

Kath Tanner
RULES FOR THE CONDUCT OF VCE EXAMINATIONS AND THE GENERAL ACHIEVEMENT TEST (GAT) 2014

Students are required to observe the following rules for the conduct of VCAA examinations conducted by or on behalf of the VCAA, as well as the day-to-day rules and examination rules of their school and of the examination venue. VCAA examination rules shall apply with appropriate and reasonable modifications to students who have disabilities or other impairments. All supervisors are issued with directions for the administration of the examinations and are required to report all alleged breaches of VCAA rules to the VCAA. Supervisors have the right to check any calculator or dictionary that is taken into an examination.

1. Students must not cheat or assist other students to cheat.
2. Students must not take any action that gives or attempts to give them or another student an unfair advantage in an examination.
3. Students must not allow, induce or assist any other person to present for an examination in their place.
4. Students must not present for an examination in another student’s place.
5. Students must not present for an examination under the influence of alcohol or drugs.
6. Students must obey and observe all proper instructions or directions given by their supervisor.
7. Students attending an examination may bring only materials and equipment approved for that examination into the examination room.
8. Students must not possess mobile phones and electronic devices that are capable of storing, receiving or transmitting information or electronic signals, such as recorded music and video players, organisers, dictionaries and computerised watches during an examination.
9. Students detected with any device defined in Rule 8 must, upon the direction of a supervisor, surrender that device for inspection. Any confiscated device will be retained, pending any investigation into an alleged breach of VCAA rules.
10. Students must not bring into or possess in the examination room any drinks or food except under special circumstances as approved and directed by the VCAA. Bottled water is permitted in the examination room under approved conditions.
11. Students must not communicate with any other student while the examination is being conducted.
12. Students must not cause any nuisance, annoyance or interference to any other student during an examination.
13. Students must not remove, tear out or damage any part of a bound reference, script book, question and answer book or answer book, except formula sheets or similar permitted examination materials.

14. Students must not remove any response material, used or unused, from the examination room.
15. Students must not begin to write or mark their paper or response material in any way, or use a calculator, until advised by a supervisor that writing may commence.
16. Students must raise their hand if they wish to communicate with a supervisor.
17. Students must not leave their place until permitted by a supervisor.
18. Students will not be permitted to leave the examination before 30 minutes have elapsed from the start of writing time.
19. Students will not be permitted to leave the examination in the last five minutes of the examination.
20. Students must cease writing when instructed to do so by a supervisor.
21. Students must remain silent and seated in their place at the end of the examination until response material have been collected and checked, and an announcement is made permitting students to leave the examination room.
22. Students must not communicate with an assessor, either before or after a written examination or during a performance examination, except when communication is necessary for the conduct of the examination.

WHO NEEDS TO SIT THE GAT?
All students doing any Victorian Certificate of Education (VCE) or scored VCE-VET Units 3 and 4 study this year are required to sit the GAT, unless they are exempted by the VCAA, after application from their school principal. International Baccalaureate (IB) students who are in their final year of IB studies in 2014 are also required to sit the GAT if they want a national Australian Tertiary Admission Rank (ATAR) calculated.

Wednesday 11 June 2014
10.00 am – 1.15 pm

GAT
GENERAL ACHIEVEMENT TEST

Generated by:
Victorian Curriculum and Assessment Authority
Level 1, 2 Lonsdale Street
Melbourne VIC 3000
www.vcaa.vic.edu.au
GENERAL ACHIEVEMENT TEST (GAT)

WHAT IS THE GAT?
The GAT is a three-hour test of your general knowledge and skills in:
• written communication
• mathematics, science and technology
• humanities, the arts and social sciences.

WHY DO YOU HAVE TO DO THE GAT?
The GAT is an essential part of the VCE assessment process. While it is important that you attempt the GAT, the test does not count directly towards your VCE. However, the GAT results play an important role in determining your final assessment for the VCE.

HOW IS THE GAT USED?

Checking School-based Assessment results
The VCAA applies statistical moderation to all School-based Assessment to ensure the quality of marking standards that may occur from school to school. This is to ensure that the final results are comparable across the state and are fair to all students.

The statistical moderation process compares the level and spread of each school’s assessments of its students in each subject with the spread of the students’ scores in the external examination, and adjusts the school scores if necessary.

GAT results and examination results can be used together in statistical moderation because it gives a better match with School-based Assessments throughout the state. More information about statistical moderation can be found on the VCAA website: www.vcaas.vic.edu.au/Pages/vce/exams/statisticalmoderation/statmod.aspx

Checking examination results
The examination marking process is rigorous, carefully and expertly conducted, and designed to be fair to all students. Examination papers are assessed twice, by two different assessors. Each assessment is done separately and each assessor does not know the marks given by the other assessor. If there is insufficient agreement between their assessments, the paper is assessed by a third assessor.

When the assessment is complete, there is a final check to identify any students with scores that are significantly lower than expected. If a student's examination score is significantly different from the mark predicted by the GAT, the indicative grade given by the school and any other examination in the same subject, the paper will be assessed again by the chief assessor’s panel.

Derived Examination Scores
GAT scores contribute to the calculation of a Derived Examination Score (DES). There is no DES for the GAT.

HOW DO YOU PREPARE FOR THE GAT?
No special study is required for the GAT.

The general knowledge and skills that are tested are those students have built up through their previous study in English, mathematics, science and social science. Each question provides all the information needed to work out the right answer.

You can further information about the GAT including previous GAT papers, answers to multiple-choice questions, and step-by-step instructions for completing the GAT on the VCAA website: www.vcaas.vic.edu.au/Pages/vce/exams/gat/index.aspx

ABOUT THE GAT
The GAT is a single session three-hour test. There are two writing tasks and 70 multiple-choice questions.

You may complete the tasks in any order, but it is recommended that you complete the writing tasks first, then the multiple-choice questions. The following time allocations are recommended:

Writing Task 1: 30 minutes
Writing Task 2: 30 minutes
Multiple-choice questions: 2 hours

TOTAL: 3 hours

Answers to all tasks will be collected at the end of the three hours.

PERMITTED MATERIALS
You may use an English and/or bilingual printed dictionary into the GAT, but not a thesaurus or a combined thesaurus/dictionary. Electronic dictionaries and calculators are not permitted. You will need pens and pencils and an eraser to complete the GAT.

You must use either a blue or black pen to complete the two writing tasks and a pencil for the multiple-choice answer page.

THE TWO WRITING TASKS
Writing Task 1 will present written and graphical information in colour. You will be asked to write a piece that presents the main information in this material. You should be able to develop a piece of writing presenting a point of view on the issue, based on one or more of the statements. You can include other knowledge or information you may have to support your view. You should aim to present your reasons and arguments to support your view and to resist opposing ideas. You should also aim to communicate clearly and effectively to the reader.

Writing Task 2 will present some statements on an issue. You will be asked to develop a piece of writing presenting a point of view on the issue, based on one or more of the statements. You can include other knowledge or information you may have to support your view. You should aim to present your reasons and arguments to support your view and to resist opposing ideas. You should also aim to communicate clearly and effectively to the reader.

THE MULTIPLE-CHOICE QUESTIONS
The multiple-choice questions will cover mathematics, science, technology, humanities, the arts and social sciences. There will be 70 questions in this section, which will take about two hours to complete. You should attempt every question. Marks will not be deducted for incorrect answers.

You must use a pencil on the answer page for multiple-choice questions. There will be instructions on how to shade the boxes to show your answers.

The multiple-choice section consists of groups of questions or units. Each unit will offer one or more pieces of information and a number of questions about that information.

TIPS ON DOING THE GAT
• Read all the information carefully.
• Read each question and try to pick out the key ideas and information.
• For the multiple-choice questions, try to quickly reject choices that appear to be wrong, then read the question again and select the answer most likely to be right.
• Attempt all questions and don’t spend too much time on any one question. Questions can be revisited later.

GAT RESULTS
GAT results will be reported to you in December as part of your final results package.

A SAT statement will show raw scores out of:
• 40 for written communication
• 50 for mathematics, science and technology
• 50 for humanities, the arts and social sciences.

This statement will also report GAT results as a standardised score for each component. The standardised score is calculated and reported using the same scale used for VCE study scores, that is, on a scale from 0 to 100 with a mean of 50 and a standard deviation of 7.

Both VCE and VCAA Statements of Results will show whether you sat for the GAT or if your absence was authorised. Your absence is only authorised if your school principal has obtained an exemption for you from the VCAA.

If you have questions about the GAT, contact the VCAA on:
Tel: (03) 9032 1700 or 1800 134 197
Fax: (03) 9032 1769
Email: vcaas@edumail.vc.gov.au
The Yr 8—10 Home Eco students have been making Pies & Tarts as part of their Design Brief Project.
On Thursday 5th June,

the Yr 5-7 Leadership team are having our Peter’s Project day. The aim is to raise money to build a Cancer Centre in Warrnambool.

When a loved one has Cancer, you want to spend as much time together, instead of travelling many hours in a car.

Our plan is to walk around the lake until each “house” has collectively reached Geelong, where the closest Cancer Treatment Facility is. By doing this, we will realise just how far it is to travel, and all the more reason for a Cancer facility in Warrnambool.

**WALK-A-THON**

The whole school will walk commencing start of Period 4 (12:10pm) and all Parents are welcome to join in or cheer us on.

As part of the day we will be having a “house coloured comfy clothes day”……… please bring a gold coin donation.

At recess, there will also be special food available:
Chocolate Crackles, Honey Joys, Biscuits & Jellies—all 50c each.

There will also be sausages sold at Lunchtime for $2.

Please come along and support our cause.

Thanks by Phoebe Calvert.
Parent and Friends Association

Mark Friday 25th July on the calendar!!

The Parents Association Corridor Dinner is on as “THE CHRISTMAS IN JULY, BANQUET IN THE BER”.

This is the major fundraiser for 2015, and we are seeking donations of goods and services for the auction.

The Parents Associations next meeting is on

WEDNESDAY 4TH JULY at 9AM in the Staffroom.

You may have a question about something that is happening at school, or might like to help with the planning of the Banquet in the BER. Everyone is most welcome to attend.

Meals on Wheels

Mortlake College helps with Meals on Wheels duty one week per term and we need more volunteer parents to drive.

Drivers required from
11:45am - 12:45pm

Please contact Mirren Munn
on ph: 5599 5310

if you can help.....Many Thanks!

World No Tobacco Day May 31

This Saturday is world No Tobacco day (WHO) here are some reasons never to start smoking:

Tobacco kills half the people who use it
Tobacco kills nearly 6 million people each year worldwide, and 600,000 are non-smokers who have been exposed to second hand smoke

There is no safe level of exposure to second hand smoke

This information was obtained from the World Health Organisation (WHO)
Ryan wrote this last week as part of his literacy work…..sounds like it was yum
Ryan!
1/2C remember Education Week

Last week was Education Week. On Monday we listened to Wizard of Oz songs and the kinder kids came to visit. Tuesday was the SAKG lunch. On Wednesday we had the Masterchef cook off and we had the fun run. Thursday we had a free lunch and have a say day. Friday we had walk to school day and a free breakfast. Education Week was the best ever and I loved the masterchef cook off because I loved the food.

Chloe Goldsworthy

Last week was Education week. My favourite thing about Education week was the fun run. I also enjoyed eating the food. I also liked everything.

Will Anders

Last week was Education week. I watched the Wizard of Oz.

Te Raupara Healey

Last week was Education Week. On Monday we had a special assembly. The big kids did the Wizard of Oz. On Tuesday it was SAKG lunch. On Wednesday we had a free lunch. On Friday we walked to school. It was amazing and fun.

Caitlin McDonald

On Education Week we did the P-2 fub run and it went for a long time and that was on Wednesday. On Wednesday it was Masterchef cook off and we voted for teams that cooked good. The Fun Run was cool. It was fun because I got to run with my brother. My favourite thing was the fun run and the fun run was awesome.

Daniel Fowler

On Monday I watched the Wizard of Oz and I liked it because it was lovely singing. On Tuesday it was SAKG lunch. On Wednesday it was Masterchef cook off and after lunch it was the fun run and the fun run it was super fun!!! On Thursday it was free lunch and I had two banana milks. On Friday it was free breakfast. My highlight is the fun run because it was fantastic. I love Education week because it was super fun.

Zarhn Felstead
Dear Mortlake,

There is much excitement at Defy this week, as our KIDS ROCK PARTY is on THIS FRIDAY NIGHT!

From 7:00pm to 9:00pm there will be unlimited rock climbing, as well as pizza, drinks, music and lots and lots FUN!

Kids of all ages are welcome - just drop them off and they will have the time of their life, while you enjoy a couple of hours of... well... whatever you like!

The cost is just $20 per person.

Numbers are limited, so bookings are essential. Please contact Claire via email or phone: claire@defyfitness.com.au or 0419 138 085.

Environmental & Marine Careers Expo

Ever been interested in a career within the environmental or marine science fields?

Join our experts for a comprehensive careers, employment and training expo at SEA LIFE Melbourne Aquarium. The expo will bring together professionals from a variety of industries and tertiary institutions. Students can attend presentations and chat one-on-one with exhibitors to find out about the diverse career, tertiary, training and volunteer opportunities related to the marine science industry.

We also encourage teachers, careers advisors and VCE coordinators to attend.

**Dates:** Thursday 7 August 2014

**Times:**
- Day session: 9:30am – 3pm
- Twilight session: 4:30pm – 8pm

**Location:** SEA LIFE Melbourne Aquarium

**Cost:** $20 per person for early bird bookings before 4pm June 27
$25 per person after June 27

For more details head to www.melbourneaquarium.com.au/schools

**BOOKINGS AND ENQUIRIES**

A public presentation by

Michelle and John Rayner

Landscapes for learning

In our increasingly digitised and urbanised world, schools are more important than ever in providing outdoor environmental learning opportunities. School gardens are once again popular for the benefits they provide in child health and wellbeing, nutrition and achievement. How can we design school gardens that are functional and manageable, but still build learning outcomes and nature connectedness for children?

In this joint presentation, John and Michelle will describe the evidence of the benefits of school gardens and opportunities for learning. They will discuss a planning and design process that engages students, staff and the community, and outline challenges and visions for the future – with children themselves as educators.

Michelle Rayner is teacher of Environmental Science at The Patch primary school. John Rayner is a senior lecturer in Urban Horticulture at the University of Melbourne's Burnley campus.

Sunday 1 June 2014
2.30 pm Theatre Royal Camperdown
Tickets $15

Tickets available at the Corangamite Shire Office or at the door
Enquiries to Janet O’Hehir on 0427 629 557 or maclura@bigpond.com
