Principals Report

Peter’s Project
Last Thursday we held our final Peter’s Project fundraiser. Students and staff dressed in “comfortable clothes”, enjoyed cakes and muffins at recess and a barbeque at lunchtime. They also walked or ran around the lake for close to an hour in house groups to see what distance they could cover in the time.

The final total for the day was $631 which was a great effort and when this is combined with the $609 raised earlier in the term we will have a grand total of $1240 to donate to the appeal. Well done to everyone involved for ensuring that the fundraiser was such a success.

GAT exam
On Wednesday all students who are studying a Unit 3/4 subject sat the General Achievement Test (GAT) and on Thursday Semester 2 for all VCE students commences. For our Year 12 students only a little more than a third of their school year will be remaining at the end of this term and therefore it is so important that students make the most of every day. It is crucial that all students, and particularly VCE students, attend school every day as the most critical learning occurs in the classroom.

School for Student Leadership
Last week the four students (and their parents) who are attending the Dinner Plain campus of the School for Student Leadership in third term attended an information evening where they learnt lots of really exciting detail about the time they will spend away. They were especially excited to learn about the skiing opportunities they are likely to have. The students will be away for nine weeks and during that time are only able to communicate with their family via letters and emails. I would like to congratulate Harry Hobbs, Lizzy Kelly, Renae Reynolds, and Brooke Harfoot for challenging themselves by taking up the opportunity to attend the school. I would also encourage students in Year 8 to see Mrs Good and apply for the School for Student Leadership in 2015. There will be an information session for students next week, and they will then be asked to put forward expressions of interest to Mrs Good.

“The Wizard of Oz” and the “Banquet in the BER”
As I mentioned in last week’s newsletter please keep in mind two major school ‘events’ coming up in the near future. The Years 5-12 production of “The Wizard of Oz” commences on Friday of next week so book soon to ensure your tickets. The other important occasion is the Parents’ Association “Banquet in the BER” to be held on Friday July 25 which is the second week of third term so it will come around quickly. Tickets will be available at the school office from Friday so get a group together and support the Parents’ Association and the school.
Tateno sister-school video link

This week, the students in Years 5 to 7 spoke with students at our Japanese sister-school, Tateno Elementary School, via video-conferencing. Each class was linked with a specific class with the students from Tateno sharing information about themselves, their interests and their city. Our students were able to respond and ask questions. We are planning to have another video-conference in the coming months and it will then be our turn to share information about our lives, our school and Mortlake. The video-conferences are a wonderful way for students from other countries to interact with each other and they provide a valuable opportunity to practise language skills in a real context.

Greater Western Zone cross-country

On Friday fourteen students will be competing in the GWS cross-country to be held in Hamilton. Congratulations to these students for qualifying for the event and we wish them all the best as they compete against qualifiers from across the region.

Yard supervision before and after school

Parents are reminded that yard duty supervision doesn’t commence until 8:35am each morning and, as such students should not be at school prior to that time. Also, after-school duty concludes at 3:40pm each day.

‘Skoolbag’ App

The new Mortlake College ‘skoolbag’ app is now up and running and will enable quick and easy communication between families and the school. There is detailed information in this newsletter.

SCHOOL FOR STUDENT LEADERSHIP 2015

Mortlake College has the opportunity to apply to send students to one of the three campuses of the SSL in 2015. The school is for students who will be in Year 9 in 2015. Mortlake College has been very fortunate in being selected to send students to the SSL for a number of years, and every student has said that it has been one of their best life experiences.

Next week I will have a representative from the Gnurad-Gundidj campus talk to Year 8s about the school, and then I will ask these students for expressions of interest so that I can make an application before the end of term.

Please talk to your child if they are currently in Year 8 to see if they might be interested, and have a look at the School for Student Leadership website for details of the program and each of the campuses. The program runs for one 9 week term, and is a residential program.

In the meantime if you have any queries, please contact me at school.

What’s for lunch? Ideas from Masterchef Mortlake College’s BLUE TEAM

Chris Barry, Ross Quail, Craig Fowler, Jason Lehman, Tony Woods, Matthew Russell and Andrew Sheridan cooked and created Vegie sticks with Tzatziki Dip, PinWheel & Shape sandwiches and Apple Pikelets

Now you too can cook and create these easy and delicious foods for lunch this week.

**Tzatziki**

1 Lebanese cucumber, grated
2 cups low-fat natural yoghurt
1 clove garlic, crushed
2 Tbspn chopped mint
Squeeze of lemon

Gently squeeze excess moisture from cucumber in paper towels. Combine yoghurt, garlic and mint in a small bowl. Stir cucumber into yoghurt mixture. Add a squeeze of lemon to taste.

HINT: Can be stored in the fridge for 2 days.

We are serving this dip with Carrot, Celery & Cucumber Sticks

**Apple Pikelets**

1 ½ cups self raising flour, sifted
2 tablespoons castor sugar
1 egg, lightly beaten
300ml buttermilk
½ cup (140g) apple puree (or you can use grated apple)
20g butter, melted

2. Heat a large fry pan over a medium heat. Brush base with butter. Using tablespoons of batter at a time, cook in batches for 2-3 minutes or until small bubbles start to form on the surface of the pikelets. Carefully turn over. Cook for 1-2 minutes or until cooked through. Transfer to wire rack to cool.

Store in an air tight container.

**PinWheel Sandwiches**

Makes 1 portion

2 slices Whole meal Bread, with grain
2 teaspoons of reduced fat cream cheese
2 slices lean ham
½ cup shredded lettuce
½ cup grated carrot

Skewers or toothpicks

1. Cut crusts from bread then flatten with a rolling pin.
2. Spread with cream cheese and top with ham, lettuce and carrot.
3. Roll up firmly and cut each roll into three wheels.
4. Thread them onto skewers or use toothpicks to secure them.

The blue team used cookie cutters to make shapes out of the sandwiches as well.

Last week Year 10 Students completed their first block of Work Experience. Year 10 students complete two one week blocks of local work experience, the second block being the first week of term four. It is a short term work placement with a host employer and enables the student to learn about an industry and the workplace, and also broadens their experience and understanding of the world of work and career opportunities.

Primarily, the students are in the workplace to observe and learn, but they may also be given a limited number of tasks which they can complete under supervision. The host employer is required to provide a safe and healthy work environment and to pay the student a minimum of $5.00 per day.
