Principal's Report

Appropriate use of mobile devices at school

As mobile technology continues to evolve, there will be increased opportunity for the technology to contribute positively to learning programs in classrooms and to assist students in their school work. We understand that many secondary age students in particular will bring a mobile phone to school. However there needs to be a clear understanding that mobile devices must be used responsibly at all times. Students are not to use mobile phones during class time unless the device is being used as part of the learning in that class and the teacher has requested that they be used. Students who don’t use the technology responsibly will have their devices confiscated for the day.

State Schools’ Spectacular

The State Schools’ Spectacular is a state government initiative designed to promote student involvement in the performing arts. It began as a biennial event but has more recently been run every year. Mortlake College has been involved for over a decade, sending groups of students to be part of a one thousand - strong choir. Students can also be part of the massed dancers or audition for the 80 piece orchestra or as a soloist. This year we have fifteen students participating and they have already travelled twice to Melbourne for rehearsals and will participate in two performances next Saturday at Hisense arena. This will be an amazing experience for the group as the stadium seats 11,000 spectators. A big thank you to staff and parents involved and as Ms Russell said, “It has been well worth the effort of getting to Melbourne, learning around a dozen songs and becoming part of this highly entertaining event.” Good luck to all involved!

‘Cows Create Careers’

This term the Years 8-10 Food Technology students have been involved in the 2014 ‘Cows Create Careers’ project. The project has involved students researching dairy products, creating appropriate menus and cooking various dishes that included dairy products. The project is an initiative of the dairy industry and the school is working in partnership with Murray Goulburn. This week the group will be visiting the Murray Goulburn factory in Koroit where they will have a tour of the factory and learn more about the industry. In the first week of next term the group will be participating in a project presentation day which will be held in Warrnambool.

End of term

On Friday 19 September, the final day of the term, school will finish at 2:30pm. That is also the day of our annual Early Years Grand Final Breakfast, which begins at 8.00am and goes through until around 9am. It would be great to see lots of families in attendance.

Graeme Good
Pie Drive
All orders for the pie drive will be ready to pick up from the General Office Wednesday 17th September

JAPAN TOUR VACANCY
Due to cancellation, we have one vacancy on the school tour to Japan in March 2015. The cost of the tour is $3250 and includes flights, land transport, accommodation, meals, admission to sights and personal insurance. If you are interested in having your child participate in this tour, please contact me at school or via email: blomeley.danielle.j@edumail.vic.gov.au for further information.

Danielle Blomeley

Prep Enrolments for 2015
It is important for our 2015 planning that we finalise our prep enrolments as soon as possible.
If you haven’t as yet enrolled your child for 2015, could you please do so at your earliest convenience.
If you have not received an information pack, please call the General Office on 03 5599 2204.

Thankyou
Dot Jenkins
Business Manager

Uniform Shop Opening Times

Matinee: Wednesday 17th September 1.30pm
Night Performance: Thursday 18th September 7.00pm

Adults: $8
Students/Children: $2
Under 5yrs FREE

Lost Property

There is a lot of lost property including Mortlake College Uniforms, lunch boxes, drink bottles that are currently down near the Primary Office.

Please come and check these items and take home what belongs to you as it will all go down to the Op Shop at the end of the term.
In class we have been learning about multiplication. We have been using smarties to help us understand the concepts. The smarties really do help!
Thank you

Thank you to all our enthusiastic, willing and brave volunteers in the Stephanie Alexander Kitchen Garden Program this term. We really appreciate your assistance and would not be able to achieve as much as we do, without you. Thank you!

If you are interested in helping out in our kitchen or garden classes on a regular or one off basis next term, please contact Mrs Povey.
COUNTRY COTTAGE ROLLS

3 eggs
½ cup pecan nuts
1 large onion, chopped
1 tbsp soy sauce
1 cup cottage cheese
½ cup breadcrumbs
1 cup minute oats
3 sheets puff pastry
1 tbsp milk for glazing
2 tbsp sesame seeds

METHOD

1. Process eggs, pecans, onion, soy sauce and cottage cheese until fine.

2. Transfer to a bowl and mix in bread crumbs and oats. Cut pastry sheet in half and spoon mixture down one edge. Brush other edge with milk.

3. Roll to enclose filling with pastry and repeat with remaining pastry sheets.

4. Cut each log into six even lengths. Brush with milk and sprinkle with sesame seeds.

5. Bake in hot oven, 200 degrees, for 15-20 minutes or until crisp and golden.
**LUNCH TIME SPORT**

Lunch time sport results after week 8.

**Endeavour** 18 points
**Inspire** 16 points
**Succeed** 14 points

This week is junior girls soccer.
Students must be in a full change of sports gear to participate.

---

**GWR ATHLETICS**

Students who have qualified the GWR Athletics on Friday 10th October must attend at least three training sessions on Monday or Thursday lunchtimes in order to attend. These students have been provided with permission notes and information.

---

**CLAY TARGET SHOOTING COMPETITION**

Open to Year 7-9 students. Monday 13th October at Lake Gillear, Allansford.

For more information contact me.

---

**GIRLS CRICKET CAMP**

This year the Western Waves region is holding a female camp in Dunkeld on Tuesday 30 September for any girls who love cricket from 11-18. The camp will feature pathway coaches and a female guest coach from the Vic Spirit. This camp will be lots of fun and will have great coaching in one big day.

Follow the link below link to fill out the registration form online.

https://cricketvictoria.wufoo.com/forms/r1bwtzyc1jowi3k/

---

**SUPER 8’s CRICKET TRYOUTS**

Year 7 & 8 students will have tryouts for the Super 8’s cricket on Monday 15th at lunchtime.

A boys and girls team will then be selected for the carnival to be held on the 15th October in Warrnambool.

---

**STATE NOMINATIONS**

Information regarding state nominations and other sports can be found on the School Sport Victoria website.

Three big changes to the vaccine program

In 2015 three major changes to the vaccine program will impact on parents of secondary school students:

The Moyne Shire’s immunisation service may contact you about the secondary school vaccine program. Schools have been authorised to provide parent contact details to local councils for this purpose. Contact the school on 03 55992204 by 28 February 2015 if you do not want your contact details given to the Moyne Shire.

In 2015 only, the vaccine that protects against diphtheria, tetanus and whooping cough will be offered to all students in Years 7, 8, 9 and 10. From 2016, this vaccine will be offered to Year 7 students only. This will provide earlier protection from these diseases.

The time-limited human papillomavirus (HPV) vaccine program for Year 9 boys was completed in December 2014. HPV vaccine will continue to be offered to all students (both male and female) in Year 7 from 2015.

Look out for the vaccine consent form/s coming home from school with your child. You need to read, complete and return the form/s regardless of whether your child is being immunised at school.

To learn more about the changes, the diseases, the vaccines, or how you can prepare your child for vaccination go to immunehero.health.vic.gov.au

Pause  Chill out time is important, especially for secondary students in times of increased stress. Try going for a walk, spending time outside, or simply taking a break from what you are doing, include time away from computers and phones. ‘Pause’ is a collection of free relaxation or imagery audio tracks which can be found at http://oyh.org.au/training-resources/free-downloads/pause

Sleep  Getting enough quality sleep is very important for physical and mental health. Here is a link to fact sheet about young people and sleep:  http://oyh.org.au/sites/oyh.org.au/files/factsheets/oyh_sleep_factsheet.pdf

Orygen Youth Health is youth mental health organisation based in Melbourne. If you would like more information, advice or referrals for these or any health topics, the Adolescent Health Nurse Jenny is at the College on Wednesdays & Thursdays.

3rd, 4th and 5th October 2014
There’s never been a better time to join Ambulance Victoria.

**Did you know that ambulance transport and attendance in Victoria is not free, nor is it covered by Medicare?**

Many Private Health Insurance policies also claim to cover ambulance transport, however coverage varies between provider and policy levels; many having limitations, gaps or exclusions. **Health Care card (HCC) holders receive the same free ambulance service benefits as Ambulance Victoria members, with the exception of transport from private facilities which are no longer a concession benefit (a recent change).** The **HCC must be valid at the time of accessing the ambulance service** and people need to be aware that their circumstances can change and Centrelink can change concession benefits at short notice. Is this a risk you are willing to take?

Emergency road transport costs begin at over $1,100 and a helicopter air ambulance almost $10,000. That’s a bill that nobody wants to pay out of their own pocket!

Visit www.ambulance.vic.gov.au/membership or call the Membership Service Centre on 1800 64 84 84 to become a genuine Ambulance Victoria member.

At only **$82.60 per year for a family** or **$41.30 for a single**, you can rest easy knowing you’re protected against the cost of Ambulance treatment and transport Australia-wide.

---

**Immunisation in 2015**

**Three big changes to the vaccine program**

In 2015 three major changes to the vaccine program will impact on parents of secondary school students:

- **The Moyne Shire Council immunisation service may contact you about the secondary school vaccine program.**
  - Schools have been authorised to provide parent contact details to local councils for this purpose. Contact the school on 03 5599 2204 by 28 February 2015 if you do not want your contact details given to the Moyne Shire Council

- **In 2015 only, the vaccine that protects against diphtheria, tetanus and whooping cough will be offered to all students in Years 7, 8, 9 and 10. From 2016, this vaccine will be offered to Year 7 students only. This will provide earlier protection from these diseases.**

- **The time-limited human papillomavirus (HPV) vaccine program for Year 9 boys was completed in December 2014. HPV vaccine will continue to be offered to all students (both male and female) in Year 7 from 2015.**

Look out for the vaccine consent form/s coming home from school with your child. You need to read, complete and return the form/s regardless of whether your child is being immunised at school.

Year 8, 9 & 10 Advance students have been investigating and learning Snake Bite First Aid treatment now the warm weather is upon us. The most common snakes found in the South-west of Victoria are the Common Brown, Tiger, Red Bellied Black Snake and the Copper Head. Students were made are of as snakes mature their colour can also change making identification of species confusing. Jennifer Williams the school Nurse presented information on managing a Snake Bite, by looking at signs and symptoms, management and after care procedures. Students were shown a number of download videos of actual snake bites and patent management. In class they practised applying a compression bandage in a number of mock up situations.

Andrew Bennett, Advance, 2014.

Tuning in to kids program
Emotionally Intelligent Parenting

Dates:
Wednesdays:
October: 22, 29
November: 5, 12, 19 and 26

Time:
6.30pm—9pm

Venue: Centacare,
Level 1, 142 Timor
St, Warrnambool

Cost: Free

RSVP: Wednesday
15th October

Tuning in to Kids is a six session
program for parents of children aged
4 -10 years.

Would you like to learn how to:
• be better at talking with your child?
• be better at understanding your child?
• help you child learn to manage their emotions?
• help to prevent behaviour problems in your child?
• teach your child to deal with conflict?

Tuning in to Kids shows you how to help your child develop
emotional intelligence.

Emotional intelligence may be a better predictor of academic and
career success than IQ!

(Sorry, no child care available)

For enquiries and bookings please phone Marea
on 5559 3000.
