Term 4 - Week 2—15th October 2014

Monster dress-up day

On Friday Inspire house are holding a dress-up day with ‘Monsters’ the theme. All students from Prep to Year 12 are invited to participate in the day and come dressed as a monster. The aim of the day is to raise money for the Children First Foundation which supports children in hospitals and therefore all those who choose to dress as a monster are asked to bring a gold coin donation. Pizzas, jelly cups and fruit boxes will be on sale at lunchtime from the canteen and a fashion parade will also be held.

Year 12

Our Year 12 students will have their final classes for the year next Wednesday. They will then have a study period prior to their English exam which will be held on Wednesday 29 October. It is very important that the students use the study block as effectively as possible because it is an opportunity to consolidate the learning that has occurred throughout the year. All VCE exams will be held in the BER building so we ask that everyone is mindful of keeping noise to a minimum in that area when exams are being held. An exam timetable is included in this newsletter.

Greater Western Region Athletics

As I mentioned last week twenty-five secondary students competed in the Greater Western Region Athletics which were held in Ballarat. Mr Jones reported that students performed well with a number achieving personal best performances. Congratulations to all who participated.

Use of electronic devices at school

As I have mentioned previously electronic devices have an important role in teaching and learning and we encourage our students to use their iPads and smartphones to best advantage. However, it is expected that students use these devices responsibly and appropriately at all times. Misuse may result in a student not being able to bring the device to school.

School Uniform

I still have concerns with a number of students who continue to be out of uniform. The student diary clearly outlines what is expected of students and it is not acceptable to be out of uniform for any length of time. I understand that there will be times when the full uniform can’t be worn but it is expected that such occasions should be short term. We have reminded a number of students this week that soft black slip-on ‘slipper’ type footwear is not part of the uniform and must not be worn. We would appreciate the support of parents in ensuring that all students wear the correct school uniform.
Deakin University visits

Our Year 9 students have had the opportunity to visit Deakin University in Warrnambool on three occasions recently, the most recent visit taking place on Tuesday. The purpose of these visits has been to familiarise students with a university setting and to get them thinking about their future as they enter the senior years of secondary schooling. This week the students learnt about the different courses available at university such as Marine Biology, Education, Nursing and Engineering. Our Year 10 students will be visiting Deakin at the end of the month.

Pupil-free day for curriculum planning - Friday 21st November

Friday 21st November will be a pupil-free day to enable staff to spend time working in teams for whole-school planning.

Skoolbag App Issues

The latest Apple iOS8 update has caused errors in the Skoolbag App. Parents may not be able to open notifications or get push alerts. Skoolbag is currently upgrading their app with a new version to rectify these problems, and hopes to have the new version ready for download within next 2-4 weeks.

This does not effect users who are still running iOS7.

If families need their newsletter emailed or a hard copy sent home during this time please contact the office.

Milkshake Day

The Alpine school students are holding a fundraising event for their Alpine Community Learning Project.

All money raised will go towards revamping the upstairs area of the Activity Centre.

**When:** Tuesday 21st & Wednesday 22nd October at lunchtime

**Where:** in the Canteen

**What:** Chocolate, Vanilla and Strawberry flavours

$1.50 per cup

---

**IMPORTANT DATES:**

**Wednesday 22nd October:** This will be the last day of formal classes for Unit 4 subjects (Year 12)

**Thursday 23rd October:** Students will return to school to have morning tea with the staff and make a short presentation to students. Although there are no more formal classes, students are able to come to school to see their teachers during the SWOTVAC period. However, they should make sure they contact their teachers to organise a meeting time. We do not want students to waste valuable time coming to see teachers when they may be teaching other classes!

**Wednesday 29th October:** English exam 9-12.15. This is the beginning of the exam period for our students. All exams will take place in the BER, and therefore we ask all students and parents to be as quiet as possible in the area while exams are on. This also applies to school drop-off and pick-up times, as many exams finish after school time.

All VCE students have received a copy of their timetable for exams, and this should be in a prominent place in their house!

After the exam period teachers, Year 12 students and their parents while have a ‘Farewell Tea’ together. The Year 12 students will of course be formally farewelled by the school community at Presentation Night.

**Results:** Will be published on 15 December – electronically and 16 December in the mail.

**Change of Preference Period:** Opens on 24 November and closes on 22 December

**First Round VTAC offers:** Published online 19 January 2015
Our Yr 12 students are nearly finished their secondary education! Starting from Wednesday 29th October the VCE Exams will commence in the BER. Parents please remind your children they need to avoid this area during exam times, keeping quiet etc.

6 Tips for Managing Exam Stress – by Karen Boyes

There are four weeks to go before national school exams and if you are starting to get stressed about exam time – this is great news.

Why stress is good...
Experiencing stress before exams is a good thing! Stress causes your adrenaline to pump and allows you to work longer hours and stay on task more. A 2013 study from Daniela Kauer and Elizabeth Kirby at the University of California, Berkeley, found that small doses of stress can propel you forward and enable you to meet a challenge. As a time frame gets closer so the stress rises. This is natural and normal and managing it is important. Too much stress can have a negative effect on your memory. Of course memory is essential in an exam – ultimately you are required to remember what you have learned and how to apply your knowledge to answer the questions.

What to do in the next 4 weeks...
1. Make a plan for the next 4 weeks – do not leave it to chance. Draw up a timetable and stick to it. Place in the important features of your next weeks, meal times, sports practice, church etc and add your study around these. If you can, you may wish to lessen your out of school activities for the next 4 weeks and then you can devote your time to them after the exams.
2. Learn what you don’t know - Of all the tips the most important in the last few weeks is to concentrate on learning the information you don’t know. Going over what you know is a waste of time – it might make you feel good, however learning is learning what you don’t know. Pull out your old tests, assignments, practice exam papers and learn the questions you got wrong. This sounds simple and it can be hard yet is the MOST IMPORTANT tip. Ask your teachers to help clarify confusions, google other teachers lessons or search for study notes online to help.
3. Study in small segments - The best tip is to study for 20 minutes and take a 5 minute break. This is especially useful if motivation is lacking or the content is difficult. During the 5 minute break, ensure you leave the room so your brain knows you are on a break. You might choose to stretch, get some fresh air. do a few star jumps, eat some brain food, drink a glass of water and quickly check your social networking sites. To help keep you on track download the iStudyAlarm available for all smart phones.
4. Eat well – just as an athlete prepares for the big game or race, eating well in the weeks before your exams is imperative. Ensure you eat breakfast each day, as this will help minimise the bad stress. Eat smaller meals throughout the day, rather than big meals (that take a huge amount of energy to digest.) Decrease your sugar and caffeine intake and increase your water consumption. Research shows eating an apple gives longer sustained focus than a cup of coffee.
5. Relax – to manage high stress levels ensure you do something each day to relax. It may be as simple as 10 long slow breaths 2-3 times a day, some slow stretching, gentle swimming or jogging, meditation, yoga or any activity that helps you unwind and relax. Avoid screen time when relaxing as the changing images on the screen often cause your brain to go into a fight/flight state of high alert.
6. Focus on the goal - Four weeks is such a short time in your life so focus on the big picture – the reason you are sitting the exams; to get yourself ahead in life, to get into the course you want next year or whatever your goal is. A helpful activity is to visualise yourself being successful in your exams.

Parents Victoria Online Conference
October 2014 & May 2015

First four days: 6am Monday 27 October 2014 to 11pm Thursday 30 October (Australian Eastern Standard time)

Register (for no cost) at: http://www.straighttothepoint.co/pv/register/

* Principals, headmasters and teachers are invited to inform parents of this no-cost opportunity for discussion and debate. *The topics are provided in this email.

7 October 2014

PARENTS of primary and secondary students, in all Australian States, Territories and countries, in government, Catholic and independent schools, are warmly invited to take part in the Parents Victoria (two-part) online conference, which will be held over four days in October 2014 and a further four days during Education Week in May 2015 (there will be no need to re-register for the second section).

No special software is needed, other than an internet-connected computer and a browser (speakers are an advantage but are optional). The online discussions will be very easy to join in; online resources will be provided, and guidelines about how to participate will be available. *You don’t need to be a member of Parents Victoria to take part. Join in for all of the eight days, just some days, or even a few hours, depending on your lifestyle and other commitments. The conference is open 24/7 and is moderated between 6am to 11pm. Posts outside 6am to 11pm may not appear on the website until the following day.
Topics

The four one-day topics are Homework, Access, Reporting and BYOD (Bring Your Own Device). The ongoing topic of Funding, an additional topic, will run for the entire four days. There will also be an opportunity for participants to raise other issues.

DAY 1: Monday 27 October: Homework - how much and when? Hosted by: Victoria Hall, DEECD & Leanne McCurdy, Parents Victoria

DAY 2: Tuesday 28 October: Access. How and why is it important to you for your child to have access to high quality state school education in your local community? Hosted by Christine Hall, Our Children Our Schools & Elaine Crowle, Parents Victoria

DAY 3: Wednesday 29 October: Reporting. What do you really want to know about your child’s progress at school? When and how would you prefer to receive this information? Hosted by Kathryn Patford, DEECD & Nicole Sweeney, Parents Victoria

DAY 4: Thursday 30 October: BYOD (Bring Your Own Device). BYOD is a fast-growing trend in our schools; how is this working for your family? Hosted by Peter Maggs, DEECD & Sharron Healy, Parents Victoria

FOUR-DAY ONGOING TOPIC: 27-30 October inclusive: Funding. What should the government pay for? What, when and how should assistance be provided for disadvantaged students?

How to register
Register and confirm your participation (for no cost) at:
http://www.straighttothepoint.co/pv/register/

*Once your registration has been saved, you will receive an email when the conference starts (at 6am on Monday 27 October) letting you know the exact website address of the online conference.

If receive this email but you have already registered, there is no need to register again. Simply note the extra information on the topics and the particular days each topic is being discussed. *All those who register will be sent an email with the online conference website address when the conference opens at 6am on 27 October.

Format of the online conference
The first section of the online conference will feature four ‘live’ daily online discussions, each of them hosted, for several hours each day, by a member of Parents Victoria as well as another expert commentator. Each day will focus on a different topic that is currently of concern to parents. There will also be one continuous online discussion that will last for the entire four days.

I look forward to meeting all of you online soon, to discuss these important issues. The more of you join in, the more successful this event will be.
