Term 4 - Week 3—22nd October 2014

CFA Fire Ready Kit & Mobile Education Unit

This week a copy of the CFA Fire Ready Kit is being sent home to all families. It is most important that you receive your copy so please ask your child for it! We are in a high-risk bushfire area so it’s important that everyone is well informed and well prepared.

On Thursday 6 November the CFA’s Mobile Education Unit will be visiting the school and students from Prep to Year 7 will have the opportunity to visit the vehicle and learn about bushfire behaviour and safety.

Senior Student Leadership team

With our Year 12 students having finished their formal classes today I would like to acknowledge the work of our senior leadership team throughout the year. The students have all performed their roles with distinction and I would like to thank Stacey Shalders and Charmarelle McCarroll, our school captains, Tayla Hobbs, our wellbeing captain, Tim O’Brien, our Sports captain and Lillian Cummins our Arts captain. Well done and thank you to you all!

VCE Exams

As I have mentioned previously, the coming weeks are of critical importance to students sitting the VCE exams. A study program at home is important not only in the period prior to the English exam but also between exams. The students need to take every opportunity to consolidate the learning that has taken place during the year. Students have been told are most welcome to come to school to see teachers but it is important they contact staff beforehand to ensure they are available. Good luck to all those who are undertaking the exams.

Congratulations to Georgia Wareham

Many of you will have seen the full-page story in The Standard last week about Georgia Wareham and we would like to add our congratulations to Georgia on her selection in the Victorian Women’s Under 18 cricket team. This is a great achievement and we wish Georgia all the best in the upcoming matches.

“Beyond the Bell”

I have included in this report information from the “Beyond the Bell” initiative where the aim is to improve educational outcomes for our young people by lifting the Year 12 or equivalent completion rates. As you can see from the table below completion rates for students in this area are significantly lower than the figure for the state as a whole. This is an important initiative for our region.
BEYOND THE BELL
Improving educational attainment in the Great South Coast

Why?
The Great South Coast Group is an alliance involving government, business and community working collectively across Colac Otway, Corangamite, Glenelg, Moyne, Southern Grampians and Warrnambool.
Our region's rates of Year 12 or equivalent attainment (meaning Certificate II or above) are among the lowest in Victoria. Education has a positive impact on both the economic and health outcomes of people. Young people not completing a secondary school qualification are less likely to make a successful transition to long term, full time employment and may be more likely to be disadvantaged in later life.
This means our current generation of young people in the Great South Coast reflects poorer education, life skills levels and health than their peers across the state.

What are we doing?
The Beyond The Bell Project Working Group, reporting to the Great South Coast Group Board, is working to support our young people to improve their chances of attaining Year 12 or equivalent and to reach their full potential.
We are doing this through an integrated approach (collective impact) to drive large scale and long term change. It involves the formation of local cross-sector partnerships and looking at factors across a young person's life from conception to adulthood.
Each municipality has also formed a Local Action Group to develop a community action plan. Partners from across a range of sectors are working collectively and collaboratively to address the issue.
Each group is currently collecting data and talking to people across the community about the issues that prevent educational outcomes for their children, students, clients, friends, families and themselves.

What can you do?
Your input into the community action is vital, as is your involvement in the implementation of the plan in 2015. Find out what you can do, and how you can contact your Local Action Group by contacting: reception@swllen.net.au

Skoolbag App Issues

The latest Apple iOS8 update has caused errors in the Skoolbag App. Parents may not be able to open notifications or get push alerts. Skoolbag is currently upgrading their app with a new version to rectify these problems, and hopes to have the new version ready for download within next 2-4 weeks.

This does not effect users who are still running iOS7.

We hope you enjoy your last formal day of classes today and Good Luck for exams starting next week.

Best Wishes for your future, whatever that brings, with work or further study.

Congratulations on completing 13 years of education and being great leaders of Mortlake College.

IMPORTANT DATES:

Wednesday 22nd October: This will be the last day of formal classes for Unit 4 subjects (Year 12)

Thursday 23rd October: Students will return to school to have morning tea with the staff and make a short presentation to students. Although there are no more formal classes, students are able to come to school to see their teachers during the SWOTVAC period. However, they should make sure they contact their teachers to organise a meeting time. We do not want students to waste valuable time coming to see teachers when they may be teaching other classes!

Wednesday 29th October: English exam 9-12.15. This is the beginning of the exam period for our students. All exams will take place in the BER, and therefore we ask all students and parents to be as quiet as possible in the area while exams are on. This also applies to school drop-off and pick-up times, as many exams finish after school time.

All VCE students have received a copy of their timetable for exams, and this should be in a prominent place in their house!

After the exam period teachers, Year 12 students and their parents while have a ‘Farewell Tea’ together. The Year 12 students will of course be formally farewelled by the school community at Presentation Night.

Results: Will be published on 15 December – electronically and 16 December in the mail.

Change of Preference Period: Opens on 24 November and closes on 22 December

First Round VTAC offers: Published online 19 January 2015

1-2R Report

This week we were invited by the 8-10 history class to come to a presentation about American Indians. We took part in a musical performance, were read a traditional story, saw a Tee Pee and made Indian headpieces.

We really enjoyed our time learning about the American Indian culture and thank the year 8-10 for all their time and effort in hosting us.

It was interesting for us to think about what we learnt today in context of the Australian history and art we have been learning in class recently.

* Principals, headmasters and teachers are invited to inform parents of this no-cost opportunity for discussion and debate. *The topics are provided in this email.

7 October 2014

PARENTS of primary and secondary students, in all Australian States, Territories and countries, in government, Catholic and independent schools, are warmly invited to take part in the Parents Victoria (two-part) online conference, which will be held over four days in October 2014 and a further four days during Education Week in May 2015 (there will be no need to re-register for the second section).

No special software is needed, other than an internet-connected computer and a browser (speakers are an advantage but are optional). The online discussions will be very easy to join in; online resources will be provided, and guidelines about how to participate will be available. *You don’t need to be a member of Parents Victoria to take part. Join in for all of the eight days, just some days, or even a few hours, depending on your lifestyle and other commitments. The conference is open 24/7 and is moderated between 6am to 11pm. Posts outside 6am to 11pm may not appear on the website until the following day.
Topics

The four one-day topics are Homework, Access, Reporting and BYOD (Bring Your Own Device). The ongoing topic of Funding, an additional topic, will run for the entire four days. There will also be an opportunity for participants to raise other issues.

DAY 1: Monday 27 October: Homework - how much and when? Hosted by: Victoria Hall, DEECD & Leanne McCurdy, Parents Victoria

DAY 2: Tuesday 28 October: Access. How and why is it important to you for your child to have access to high quality state school education in your local community? Hosted by Christine Hall, Our Children Our Schools & Elaine Cowle, Parents Victoria

DAY 3: Wednesday 29 October: Reporting. What do you really want to know about your child’s progress at school? When and how would you prefer to receive this information? Hosted by Kathryn Patford, DEECD & Nicole Sweeney, Parents Victoria

DAY 4: Thursday 30 October: BYOD (Bring Your Own Device). BYOD is a fast-growing trend in our schools; how is this working for your family? Hosted by Peter Maggs, DEECD & Sharron Healy, Parents Victoria

FOUR-DAY ONGOING TOPIC: 27-30 October inclusive: Funding. What should the government pay for? What, when and how should assistance be provided for disadvantaged students?

How to register
Register and confirm your participation (for no cost) at: http://www.straighttothepoint.com/pv/register/

*Once your registration has been saved, you will receive an email when the conference starts (at 6am on Monday 27 October) letting you know the exact website address of the online conference.

If you receive this email but you have already registered, there is no need to register again. Simply note the extra information on the topics and the particular days each topic is being discussed. *All those who register will be sent an email with the online conference website address when the conference opens at 6am on 27 October.

Format of the online conference
The first section of the online conference will feature four ‘live’ daily online discussions, each of them hosted, for several hours each day, by a member of Parents Victoria as well as another expert commentator. Each day will focus on a different topic that is currently of concern to parents. There will also be one continuous online discussion that will last for the entire four days.

I look forward to meeting all of you online soon, to discuss these important issues. The more of you join in, the more successful this event will be.
