

UNIFORM

POLICY

Rationale:

- A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code.

Aims:

- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school in the community.

Implementation:

- After consultation with the school community, School Council has developed a Dress Code that we believe provides choice for the students, allows for students to safely engage in the many varied school activities, and caters for the financial constraints of families.
- The Dress Code applies during school hours, while travelling to and from school, and when students are on school excursions.
- Summer and winter uniforms, as well as sports uniforms will be prescribed, and are required to be worn.
- Stud earrings and sleepers worn in the ears, plus watches are acceptable jewellery. Other facial & body piercings may be accepted, within reason, and are determined by the Principal or Assistant Principal as the need arises.
- Extreme hair colours and/or extreme hairstyles may be accepted, within reason, and are determined by the Principal or Assistant Principal as the need arises.
- The only headwear that is acceptable is Sunsmart hats consistent with our Sunsmart policy. They must be worn outside in terms 1 & 4. Hats are not to be worn inside.
- The student Dress Code, including details of uniform items and places of purchase, will be published in the newsletter at the start of each year, and is outlined in the student planner/diary.
- School Council requires the Principal be responsible for implementation of the Dress Code in a manner consistent with the Student Code of Conduct.
- Arrangements can be made with either the Principal or the Business Manager to supply uniforms for families experiencing economic hardship.
- Parents seeking exemptions to the Dress Code due to religious beliefs, ethnic or cultural background, student disability, health condition or economic hardship must apply in writing to the School Council for consideration.

Evaluation:

- This policy will be reviewed as part of the school's three-year review cycle or if changes are required (See changing of school uniform policy).
