

Working with Children Checks

POLICY

Rationale:

As of the 1 January 2008, all schools are required to comply with the Working with Children Act 2005, and ensure that any person unsuitable to be involved in 'child related work' is not employed or a volunteer at Mortlake College.

Aims:

- To ensure children under our care are protected from being exposed to inappropriate people.
- To ensure all people engaged in 'child related work' with our students and who are required to have Working with Children Checks, do so
- To ensure that our school complies with the relevant Acts and laws.
- To provide an environment that is safe.

Implementation:

- All employees (who do not have a VIT) or volunteers (who are not exempt as below) who are in 'direct contact' with children (including oral, written or electronic communication as well as face-to-face and physical contact) related in 'child related work' must undergo "Working with Children" checks prior to commencing work.
- You are considered to be performing 'child related work' if you work or volunteer at a school or school related activities and you do not qualify for an exemption.
- All teaching staff members are registered with the Victorian Institute of Teaching, and undergo ongoing monitoring that satisfies Working with Children check requirements, and are therefore exempt. Police officers are also exempt.
- A parent, or immediate relative, who volunteers at their child's school as part of an activity that their child is participating in is not required by law to have a Working With Children's check. If the same parent volunteers in a class or activity that his or her child does not ordinarily participate in, then a check is required.
- School Council does not pay for Working with Children checks. WWC Checks last for 5 years.
- School Council will maintain a record of volunteers with up to date WWC Checks.
- School Council requires that all volunteers directly involved in school camps, day excursions, sleep-overs, teaching of swimming lessons, transport of students without staff members present, extra-curricular activities such as school sporting teams etc all have Working with Children Checks.
- School Council will consider other activities such as incursions & excursions on a case-by-case basis.

Evaluation:

This policy will be reviewed as part of the school's three-year review cycle, or as required due to changes in relevant Acts, Laws or should situations arise that require earlier consideration.
